Holiday fun for families with the Kleist suitcase

To mark the start of the holidays, the Kleist Museum is offering families a multilingual Kleist suitcase to borrow at home! The suitcase is filled with all kinds of surprises, such as historical games from Kleist's time, handicraft instructions in Polish and German and multilingual children's books, and is especially aimed at German-Polish families. The suitcase can be picked up on Saturdays at the reception of the Kleist Museum, Faberstraße 6-7, and borrowed for a week until the following Thursday. It will be available from 04.06.2021. It is not necessary to book in advance. However, anyone who would like to reserve the suitcase can do so by calling 0335-387221-0.
